

SHOW YOUR KING'S PRIDE WITH OUR OFFICIAL CLASS RINGS.

Beautiful, completely solid graduation rings from Charm Diamond Centres come with a lifetime guarantee against manufacturing and quality defects, and arrive in a lovely presentation case with gift box. A portion of every ring sale goes back to King's.

TRADITIONAL

The Traditional “two-piece” version comes in sizes small, medium, large and extra large. These are die-struck and feature the King's crest in a slightly recessed oval. They can be ordered in sterling silver and 10k gold (white or yellow).

Because the rings are made in two pieces, it is possible to order the crest in yellow gold and have it mated to a sterling silver or white gold signet ring for a fashionable two-tone look that will compliment everyone's jewellery and watches. Our engraver can engrave, at an extra charge, the grad's degree and year into the sides of the ring.

MODERN

The Modern “one-piece” ring comes in sizes small and large. These are made in a mould and feature a completely flat top. They can be ordered in sterling silver and 10k gold (white or yellow). Our ring factory can mould into the sides of the ring the grad's degree and year at no extra charge.

The King's community is a lot bigger than the quad implies. It extends beyond the university's current students into spirited alumni and friends located across the globe. The Advancement Office embraces this community, building on it with events and programs that engage its members, as well as stewarding relationships with the university's benefactors to fortify its endurance.

The office's staff, responsible for an integrated approach to development, public relations and communications, and alumni relations, is committed to promoting the interests of the university to its internal and external communities, building support and ensuring that King's continues to enhance its reputation for programming excellence and unparalleled student experience.

Visit the Advancement Office in the Link, which connects the New Academic Building to the Arts & Administration Building, at the University of King's College, 6350 Coburg Road, Halifax, Nova Scotia, B3H 2A1, Canada.

KING'S ALUMNI ASSOCIATION IS THE OLDEST IN CANADA, INCORPORATED IN 1846.

You may have left King's for the next stage of your life, but King's will be in your heart forever. It's where you made significant friendships, tested your intellectual powers, joined societies, and became yourself. And as a King's alumnus or alumna, you will always be part of the King's community.

Alumni and friends play an important role in the life and progress of the university. More than ever before, we need you to tell others about King's, to organise and participate in events, and to tell us how King's can continue to be a part of your life, no matter where you go in the world.

Remember, you can always come home to King's.
