

University of King's College Bursary Application Form

Bursaries are designed to help students who have explored all available sources of financial assistance, such as family support, student loans, and student lines of credit, and still have unmet financial need. You must maintain a full course load (nine credit hours or more) each term; if your course load falls below nine credit hours per term, your award will be pro-rated for the remainder of the academic year. All student awards are applied directly to your student account.

Please complete this application and email it to catherine.read@ukings.ca.
