KING’S ALUMNI ASSOCIATION IS THE OLDEST IN CANADA, INCORPORATED IN 1846.

You may have left King's for the next stage of your life, but King's will be in your heart forever. It's where you made significant friendships, tested your intellectual powers, joined societies, and became yourself. And as a King’s alumnus or alumna, you will always be part of the King's community.

Alumni and friends play an important role in the life and progress of the university. More than ever before, we need you to tell others about King’s, to organise and participate in events, and to tell us how King’s can continue to be a part of your life, no matter where you go in the world.

Remember, you can always come home to King’s.
